VIRTUAL OST PROGRAM DIRECTORY

This directory contains a listing programs that are currently offering virtual out-of-school time (OST) programming for District of Columbia youth. While in-person learning may currently be closed for students, many of these providers are working to share and create virtual learning opportunities for students and families.
DC Action for Children, District of Columbia Public Schools (OST Office) and the Office of Out of School Time Grants and Youth Outcomes (OST Office) has compiled a listing of virtual out-of- school time (OST) programs for youth in the District of Columbia. Families are actively searching for programs and opportunities to engage youth beyond the classroom. The following organizations have provided details about their program to assist families locate a virtual OST program. Families should contact organizations directly to inquire about availability and more information.

*Note: References to organizations or activities do not serve as an endorsement or recommendation. The information compiled in this document has not been edited and is shown as presented from the organization.*

Ages of Youth Served: 11-17

Days Program is Offered: Monday, Tuesday, Thursday, Friday

Times of Programming: Monday - Friday
8:30 am - 4:30 pm

Virtual Meetings TBA acacdc.org

Brief Description of Virtual Learning Experience: The Hub (ACAC-DC) is offering a safe place for scholars to engage in supervised remote learning. This space provides scholars with access to internet and offer recommended independent activities. The Hub will serve 4th grade through 12th grade. This space support scholars social and emotion development by allowing them to complete remote learning amongst peers. The Hub staff is the liaison between the teacher, parent and child to ensure scholar has a successful 2020/2021 school year.

We offer virtual emotions support and resources to student (families) via zoom.

In group we discuss life skills , mental health, coping skills and entrepreneurship.

Contact Information: Ebony Johnson ejohnson@acacdc.org

Boys & Girls Clubs of Greater Washington

Website: bgcgw.org

Days Program is Offered: Monday Tuesday Wednesday Thursday Friday

Times of Programming: Monday- 12:00 - 1:00 pm; 3:00 - 7:00 pm
Tuesday- 12:00 - 1:00 pm; 3:00 - 7:00 pm
Wednesday- 12:00 - 1:00 pm; 3:00 - 7:00 pm
Thursday- 12:00 - 1:00 pm; 3:00 - 7:00 pm
Friday-12:00 - 1:00 pm; 3:00 - 7:00 pm

Brief Description of Virtual Learning Experience: Boys & Girls Clubs of Greater Washington (BGCGW) developed Clubhouse @ Your House, offering daily synchronous programming so members can continue to be connected to Boys & Girls Club staff, volunteers and programs
during a time of social distancing. Using platforms such as Class Dojo and Zoom, staff engage with members in a positive and safe virtual environment. We create opportunities for recognition and dynamic activities that make it possible to bring the BGCGW experience to members homes.

In all programming, we look to achieve our three priority outcomes of Academic Success, Good Character & Citizenship, and Healthy Lifestyles. We currently offer children nearly 30 hours a week of dynamic and diverse live programming for our members including financial literacy, cooking classes, live tutoring with certified teachers, and physical fitness.

**Website:** mycitiwide.com

**Ages of Youth Served:** 6 - 17

**Days Program is Offered:** Monday, Tuesday, Wednesday, Thursday, Friday, Saturday

**Times of Programming:** 4:00 - 8:00 pm

**Brief Description of Virtual Learning Experience:** CitiWide offers customized online group tutoring that will help your child adapt. And for students who were struggling with one or more subjects already, learning on the computer creates frustration. CitiWide can help your child learn
what they need to finish the school year strong; be prepared for next school year; improve their skills in tricky subjects; augment what teachers are doing in the virtual classroom. Your child learns the content needed for the summer and for the coming school year. CitiWide’s customized grade instruction, even a little a day, will help your child mitigate learning loss, build skills and confidence, and feel optimistic about the future. Yes CitiWide can help!

DC SCORES

Website: DCSCORES.org

Ages of Youth Served: 6 - 13

Days Program is Offered: Monday, Tuesday, Wednesday, Thursday, Friday

Times of Programming: varies based on each team at each school
**Brief Description of Virtual Learning Experience:** Our fall distance learning curricula adapt our traditional soccer and poetry programming for the distance learning environment and are informed by current affairs, best practices in virtual mentoring, and extensive feedback we received from families and coaches at the end of summer. One of the biggest pieces of feedback we got from families was how meaningful poet-athletes found our new celebrity guest speaker series. So this fall we are doubling down, bringing even more role models into poet-athletes homes. D.C. United Coach Ben Olsen and homegrown players Kevin Paredes, Moses Nyeman, and Griffin Yow sat down with poet-athletes last week. In the coming weeks, poet-athletes will meet with ESPN commentators Sebastian Salazar and Hercules Gomez, renowned author Jason Reynolds, USWNT standout Crystal Dunn and Washington Spirit players. The season will look different but our ultimate goal is still the same: keeping our poet-athletes feeling safe, supported, connected, hopeful, AND having fun.

Live, distant learning programming engages participants 2-3 days each week. All programming is free. Every registered participant receives equipment kits in the mail including soccer balls, ball pumps, cones, workbooks, pencils, t-shirts, and more! Participants will continue to receive rewards throughout the season. DC SCORES programming in the distant learning space continues to be school based, creating opportunity to build strong relationships between peers and positive mentoring relationships with coaches.

MindBloom Preschool

Website: mindbloompreschool.com

Ages of Youth Served: 5 - 12

Days Program is Offered: Monday, Tuesday, Wednesday, Thursday, Friday

Times of Programming: Between 1pm and 6pm Monday-Friday, for one hour per session.

Brief Description of Virtual Learning Experience: Students will engage in Music, Dance, and Art through the world-renown literature of Eric Carle. Select Eric Carle books will be used to teach students Spanish vocabulary and phrases and place them on a path to early literacy through gross motor and fine motor skill activities to become familiar with identifying animals, insects, and other facets of the natural world. This class is taught 100% in Spanish. No prior experience with Spanish or the ability to read or write are required.

We also offer other language programming to children ages 5-12, teaching structured classes in Spanish, Mandarin, or Arabic. Please contact us at director@thesocrateschooloflanguage.com for more information.

How to Register: Please contact us at director@mindbloompreschool.com to inquire about our programming.
National Center for Children & Families (NCCF)

Website: nccf-cares.org

Ages of Youth Served: 5 - 13

Days Program is Offered: Monday, Tuesday, Wednesday, Thursday

Times of Programming: 6:00 PM - 7:30 PM

Brief Description of Virtual Learning Experience: The CDF Freedom Schools program model at the Kennedy Short Term Housing Facility and the Sterling Short Term Housing Facility both located in Washington DC, is a summer and after-school literacy enrichment program designed to serve the youth facing homelessness at the Kennedy & Sterling Short Term Family Housing Units and there surrounding community; communities where quality academic enrichment programming is limited, cost-prohibitive, or nonexistent. NCCF has partnered with CDF Freedom Schools to develop a program that enhances children’s motivation to read and generates positive attitudes toward learning, while connecting the needs of children and families to appropriate resources in their communities.

NCCF’S VIRTUAL Freedom Schools Program has a multi-tier approach. Our approach to children, young adults and families focuses on high-quality literacy enrichment, parent and family involvement, civic engagement, social action, intergenerational leadership development, nutrition, and physical and mental health via an online platform.

The Dance Institute of Washington

Website: [danceinstitute.org](http://danceinstitute.org)

Ages of Youth Served: 5 - 17

Days Program is Offered: Monday, Tuesday, Wednesday, Thursday, Friday

Times of Programming: Between hours of 5pm - 8:30pm, Mon-Fri

Brief Description of Virtual Learning Experience: Dance Institute of Washington will proudly offer virtual dance education, along with art-integrated academics, mentoring, life skills workshops, nutrition education, creative projects and more. 75 DC students (ages 5-18) will be served on the virtual platform. Engagement will be defined as daily attendance in the virtual program, student active participation, parent engagement, and student completion of key activities, projects, final deliverables, exams, and exit surveys. Significant capacity has already been developed to execute this adaptation as DIW has successfully delivered its Spring 2020 and Summer 2020 program sessions virtually. DIW’s OST program is a Virtual Dance Program focused on SEL, literacy, and getting students in shape--preparing them for resumed pre-professional training when COVID-19 conditions permit. A modified virtual class schedule mirrors the School’s curriculum. Programming is daily, Mon.-Fri., 2.5 to 3 hours/day. Key dance genres will help maintain students’ growth: live classes via a secure virtual platform: Ballet Technique, Stretching, Repertoire, Hip Hop, Afro Fit. DIW offers the addition of an online class library. Academic Power Hours continue virtually on a weekly basis (bolstering literacy skills).

The Fishing School
Website: fishingschool.org

Ages of Youth Served: 6 - 12

Days Program is Offered: Monday, Tuesday, Wednesday, Thursday, Friday

Times of Programming: The Fishing School's virtual programming runs Monday - Friday from 3:30 pm - 6:30 pm.

Brief Description of Virtual Learning Experience: TFS' innovative virtual program is designed to pair our award-winning, Master's level Educator designed curriculum with exciting activities that make learning at home fun and engaging. Students enrolled in TFS' virtual afterschool program receive STEAM Kits, filled with materials to take part in our program along at home, including materials for our Science, Technology, Engineering, Arts, and Mathematics (STEAM) and Do-It-Yourself (DIY) Club components. Participants engage in three hours of high-quality academic and life skills interventions daily beginning at 3:30 through our virtual platform, Microsoft Teams, which integrates with Canvas, DCPS' provider for distance learning. In addition to our regular curriculum components of STEAM, College & Career Readiness, read alouds, homework help, clubs, and life skills, we have added newly vetted partners to enhance the interactivity of our sessions. This includes Typingclub, which helps develop keyboarding skills in our students as this critical 21st century skill becomes more prevalent in an age of distance learning; Power Up your School, a math based fitness program that encourages movement and learning; Time for Kids, which provides weekly, age-appropriate news articles to increase literacy skills and help our students become global citizens as they learn about current events; and FitBits, which we purchase for our 3rd - 5th grade students as an interactive, friendly competition in our Fitness Club. We also provide mathematics, ELA, and critical thinking tutoring through our blended-learning tool, Intelliseeds, and have given families their own personal credentials to be able to access this tool at no cost at any time to supplement school day learning. Our seasoned youth development staff have worked hard to ensure delivery of an exciting program your student will want to log into each day, and are prepared to provide the academic supports your student needs to continue learning in the virtual space.

* During typical in-person programming, The Fishing School exclusively serves students enrolled at its partner schools (CW Harris, Drew, and Miner Elementary Schools for the 2020-2021 school year).
